E-ZPASS – DISCOVER THE DIFFERENCE

E-ZPass is an electronic toll collection system that allows users to drive through designated *E-ZPass* lanes without stopping to pay a cash toll, thereby reducing traffic congestion.

Discover the convenience of driving through without stopping to pay a toll. What a difference!

E-ZPass is not just for the NHDOT toll roads. You can discover the benefits of *E-ZPass* anywhere you see the purple *E-ZPass* sign. Visit our web site at www.EZPassNH.com for a complete listing of locations that accept *E-ZPass*.

HOW E-ZPASS WORKS

As you slowly pass through the toll plaza, your *E-ZPass* transponder sends out an inaudible radio signal. A computer antenna in the toll lane picks up the signal and, in an instant, the system verifies the transponder's information. *E-ZPass* then calculates the appropriate toll and deducts it from your prepaid account. As you pass through the lane, you receive a message on the customer feedback sign. Some toll facilities provide express *E-ZPass* lanes allowing you to maintain normal highway speeds. Driver feedback signs are not used in this type of situation.

- 1 As you slowly pass through the *E-ZPass* facility, your *E-ZPass* transponder is read.
- 2 In an instant, the transponder information is read by an overhead antenna in the *E-ZPass* lane and the proper charge is deducted from your *E-ZPass* account.
- 3 At some facilities, there are gates that will go up when a valid transponder is read.
- 4 At other facilities a video enforcement system is in place to identify toll evaders.
- 5 A traffic signal and/or message is immediately displayed to you just beyond the *E-ZPass* lane.

To avoid delay, always have your transponder installed properly by affixing as per the mounting instructions provided with your transponder(s). If your transponder is not read as you pass through the toll lane you will receive an invoice for the toll transaction. As this is an anonymous account your information is not identified on the account and our system has no way of identifying you as an account holder. Therefore, you will be required to pay the undiscounted toll and any additional fee.

Everything you need to get *E-ZPass* is here, quick and easy!

To open an Anonymous *E-ZPass* account you can download the application from www.ezpassnh.com and visit our Walk-In Center. Directions to the Walk-In Centers can be found on the web at www.EZpassNH.com. Walk-In Service Center hours of operation are Monday through Friday 10 a.m. to 6 p.m.

PLAN SELECTION

Select the start-up plan amount that meets your needs. The dollar amount you select is the minimum prepaid amount. Enter this amount in the "Minimum Prepaid Amount" column in the plan section of the application.

NHDOT STANDARD PLAN

The Standard Plan *E-ZPass* discount is offered to all NHDOT *E-ZPass* private account customers. New Hampshire *E-ZPass* provides its customers with a 30% discount on all Class 1 – 4 vehicles and a 10% discount on all Class 5 – 12 vehicles. Customers must pay a minimum pre-paid amount of \$30.00 for 1 to 4 transponders.

TRANSPONDER REQUEST

You do not need to order a separate transponder for each vehicle you own. You may transfer your *E-ZPass* transponder to any two-axle vehicle of the same class. Almost all vehicles can operate with an interior transponder that attaches to the inside of your windshield near the rearview mirror. Adhesive fasteners enable you to install the transponder in seconds and remove it easily from your windshield if you want to transfer it to another two-axle vehicle. Do not install your transponder directly below the rearview mirror so as not to interfere with your New Hampshire vehicle registration sticker.

Certain vehicles may require an exterior transponder. If your windshield has a heated, instant de-icer or a reflective coating used to reduce heat from the sun, you may need an exterior transponder to mount on your front license plate.

Check the special vehicles listing on our web site at www.EZPassNH.com to determine if

your vehicle requires an exterior transponder. If you are unsure about whether your vehicle has one of these windshields, contact the dealer where you purchased your car. If you have additional questions regarding the use of exterior transponders for your vehicle, feel free to call the NHDOT *E-ZPass* Customer Service Center at 1-877-643-9727.

PAYMENT METHOD

The easiest ways to pay – credit card customers will never have to worry about low balances or forgetting to make payments. The credit card will be automatically billed once the account reaches the replenishment point. If a customer, paying by cash, check or money order, forgets to replenish his or her account and the account balance reaches zero, the account will become invalid. To avoid this situation, we recommend preauthorized automatic replenishment via credit card. If you utilize the account when it is in an invalid state you will incur a processing/administrative fee in addition to the unpaid toll.

• CREDIT CARD REPLENISHMENT:

Discover the advantages to starting and replenishing your *E-ZPass* account via credit card:

- It's easy. There's no need to worry about a separate *E-ZPass* payment.
- It's automatic. As long as your credit card account is in good standing, your *E-ZPass* balance will never run out.

• CASH REPLENISHMENT

To replenish by cash you must visit a NH *E-ZPass* Walk-In Center location. A low balance message will display in the lane when your account reaches the replenishment point.

Periodically customers are advised to check their account balance online or via phone to avoid negative balance situations and potential for violations.

Customers with credit card replenishment will not see this signal unless there is a problem with the credit card charge. Cash replenishment will only be accepted at an NHDOT *E-ZPass* Walk-in Center.

For further assistance take advantage of our automated phone system by calling 1-877-643-9727, or visit our website at www.EZPassNH.com.

Please bring this application to the NH Walk-In Service Center. If mailed, the application will not be processed.

- You must comply with all applicable traffic laws, regulations, signs, signals, and directions of Toll Collectors or Law Enforcement Officials.
- You may not assign or transfer the obligations or benefits of this agreement.
- You must surrender your *E-ZPass* transponder(s) immediately upon request, if deemed inappropriately used.

3 YOUR ACCOUNT

Your NHDOT *E-ZPass* Account consists of a Prepaid Toll deposit and a Transponder Purchase as follows:

- Prepaid Tolls.** You must maintain a Prepaid Toll amount with us to cover applicable toll charges. Tolls are deducted from your account each time your transponder is used. We may also deduct applicable administrative fees incurred under this agreement.
- Transponder Purchase.** At the time you establish your *E-ZPass* account, you must purchase your *E-ZPass* transponders at the following rates:
Interior Transponder - **\$6.50**
External Transponder - **\$13.65**
- Account Balances.** No interest will be paid on cash balances in your account.
- E-ZPass Plus.*** *E-ZPass Plus* allows you to pay for non-toll transactions, such as parking, with your *E-ZPass* transponder. You must use credit card replenishment as your payment option to be enrolled in *E-ZPass Plus*. See the NHDOT *E-ZPass* Website for more details.
 - Payment for *E-ZPass Plus* transactions under \$20.00 will be debited from your account balance.
 - Payment for *E-ZPass Plus* transactions \$20.00 and over will be charged immediately to the credit card on your account.
 - Contested *E-ZPass Plus* transactions must be submitted to the facility operator and not NHDOT.
 - If your payment type changes from credit card replenishment to cash/check at any time, your transponders will cease to function at *E-ZPass Plus* participating facilities.

4 METHOD OF PRE-PAYMENT

- You must pay a minimum Prepaid Toll Amount sufficient to cover planned toll usage for a six-week period.
- An account analysis is performed on all new accounts 35 days from the first use of tolls and every 90 days thereafter. If your regular use is consistently below your current six-week payment, we will adjust your minimum payment to approximate a six-week's level of actual use (\$30.00 minimum). NH *E-ZPass* will not contact an anonymous account holder regarding account balance or account issues.
- Account Replenishment must occur when your Prepaid Toll amount decreases to or below the replenishment point. You can replenish your account in one of the following ways:
 - You can authorize us to replenish your Prepaid Toll amount by automatically charging your credit card.
 - Pay by cash at any one of the Walk-In Services Centers operated by NHDOT *E-ZPass*.
DO NOT SEND CASH BY MAIL.
- The customer is responsible for monitoring their account balance online or via phone as NH *E-ZPass* has no way to contact an anonymous account holder. Customer may use the transponder number or anonymous account number to check the account balance online or by calling the *E-ZPass* Customer Service Center.
- The *E-ZPass Plus* program allows you to use your transponder at authorized *E-ZPass Plus* facilities. If your transponder is used to incur *E-ZPass Plus* charges, then *E-ZPass* will charge your credit card directly for transactions \$20.00 and over. Such credit card charges may be different from your replenishment amount. By participating in *E-ZPass Plus*, you consent to the release of your name and address to *E-ZPass Plus* facility operators for collection purposes. If you wish to be enrolled please login to your account, select the *E-ZPass Plus* tab and choose Opt-In or call 1-877-643-9727 to speak to an *E-ZPass* Customer Service Representative.

5 NON-PAYMENT/TRANSPONDER MISUSE/ADMINISTRATIVE FEES

You authorize *E-ZPass* to charge your account an administrative fee as follows:

- If you use your transponder when your account is in a negative balance, suspended or revoked, or if your transponder has been reported lost or stolen, you may incur a processing fee of \$1.00 per transaction for the first invoice, \$1.50 per transaction for the second invoice and an administrative fee of \$25.00 per transaction for the violation notice at NH toll facilities.
- If you use a valid transponder in a vehicle other than one of the class for which the transponder is designated, you may incur an administrative fee of \$25.00 per transaction.
- If you attempt to use a transponder without properly attaching it to your vehicle, you may incur a processing fee of \$1.00 per transaction for the first invoice, \$1.50 per transaction for the second invoice and an administrative fee of \$25.00 per transaction for the violation notice.
- Administrative fees may be billed directly to your account. You may only contest the imposition of said administrative fees in writing to the *E-ZPass* Customer Service Center. If the fee is rescinded, your account will be credited the amount of the rescinded fee.
